Supplies for Making Game

that you will place your thumb and pointing finger in.

4. Begin numbering the outside sections 1-8, this is so you will twist that number of times. Then add a, -h, or colors or whatever you want to use as an identifier call out. Do this

on the inside sections.

5. Now lift each inside section and write something to do, a direction, or words to repeat, or a happy thought or graphic.

You are now ready to play the game.

### Step Two:

Put your fingers in the pockets and begin twisting in and out. Ask a friend to select a number and twist that many times so that 4 sections show, they then select a section and you lift it up and tell them what it says.

See video for more directions.

You are done!! Have fun.

- 
1. one sheet of 8 1/2 x 11 paper
  2. pencil or ink pen
  3. sissors, ruler

### Step One:

1. Fold the paper so that you have a square then cut away the excess strip. See youtube.com video for directions.
2. Now continue folding, diagonal and in half and in half again until your paper square has two diagonal folds (it will look like it has an "X" in the middle. Now fold the pager horizontal and then vertical which will place a + like fold image, a square.
3. Adjust so the corner pop outs to reveal a pocket
